1 Krista L. Freitag ("Receiver"), the Court- appointed permanent receiver for
2 Pension Funding, LLC, Pension Income, LLC, and their subsidiaries, affiliates,
3 and successors-in-interest, including PGR, LLC (collectively, "Receivership
4 Entities"), hereby submits this second interim application for approval and
5 payment of fees and reimbursement of expenses ("Application"). This Application
6 covers the period from April 1, 2016 through June 30, 2016 ("Second Application
7 Period"), and seeks interim approval of \$65,706.30 in fees and \$460.33 in
8 expenses, and an order authorizing the Receiver to pay, on an interim basis, 80%
9 of the fees incurred (\$52,565.04) and 100% of expenses incurred.

10 **I. INTRODUCTION**

11 This equity receivership arises from the Complaint for Violations of the
12 Consumer Financial Protection Act and New York Banking and Financial Services
13 Laws ("Complaint") (Dkt. No. 1) filed on August 20, 2015, by the Consumer
14 Financial Protection Bureau ("Bureau") and Superintendent of Financial Services
15 of the State of New York ("Superintendent"). On or about January 8, 2016,
16 pursuant to the Court's Order Entering Stipulated Preliminary Injunction,
17 Appointment of a Receiver, and Related Matters ("Appointment Order"), the
18 Receiver took control of the Receivership Entities, their books and records, bank
19 accounts, and assets.

20 The Appointment Order confers full powers of an equity receiver, including,
21 but not limited to, full power over all funds, assets, negotiable instruments,
22 collateral, premises (whether owned, leased, occupied, or otherwise controlled),
23 choses in action, books, records, papers, and other real or personal property,
24 including notes, deeds of trust, and other interests in real property, belonging to,
25 being managed by, or in the possession or control of the Receivership Entities,
26 including all funds and assets transferred from Pension Funding, LLC or Pension
27 Income, LLC to entities controlled or managed by Edwin Lichtig or Rex Hofelter,
28 including PGR, LLC.

1 The Appointment Order also authorizes the Receiver to "engage and employ
2 attorneys, accountants, and other persons" to assist her in the performance of her
3 duties. Dkt. No. 61, Section III(C). The Receiver promptly determined that her
4 experienced staff at E3 Realty Advisors, Inc. dba E3 Advisors ("E3"), as well as
5 experienced, qualified counsel was critical due to the number of people involved,
6 the transactional volume, and complex issues facing the receivership estate.
7 Accordingly, the Receiver has cost-effectively used her team at E3 to assist in
8 carrying out receivership duties and engaged Allen Matkins Leck Gamble
9 Mallory & Natsis LLP ("Allen Matkins") to act as her counsel.

10 On March 1, 2016, the Receiver also filed a Motion for Order in Aid of
11 Receivership, seeking, amongst other things, express approval of her engagement
12 of Allen Matkins and authorization to file interim reports and fee applications on a
13 quarterly basis, which was granted as reflected in the minutes of the hearing on
14 April 13, 2016. Dkt. Nos. 71, 86.

15 This fee application should be read in conjunction with the Receiver's
16 Second Interim Report ("Second Report") filed on July 29, 2016 (Dkt. No. 100),
17 which describes in detail the Receiver's activities during the Second Application
18 Period. So as to avoid repetition, references are made to relevant portions of the
19 Second Report in the below descriptions of the Receiver's work.

20 This Application seeks interim approval of \$65,706.30 in fees for a total of
21 361.6 hours worked and payment on an interim basis of 80% of that amount, or
22 \$52,565.04. The work performed is described task-by-task on Exhibit A and is
23 broken down into the following categories:

24
25
26
27
28

1	02-General Receivership	\$3,153.60
2	03-Asset Investigation & Recovery	\$388.80
3	04-Reporting	\$4,919.85
4	05-Operations & Asset Sales	\$8,595.45
5	06-Claims & Distributions (including pensioner and investor communications)	\$12,061.80
6	10-Forensic Accounting	<u>\$36,586.80</u>
7	Total Fees	\$65,706.30

8 For this Second Application Period, while two categories – Forensic
9 Accounting and Reporting – expectedly increased, the total fees declined by
10 approximately 20% when compared to the First Application Period. A significant
11 amount of progress was made; however, there is work still to be done on the
12 forensic accounting (and analysis thereof/report thereon), which will be the basis
13 for the Receiver's proposed methodology, to be presented for the Court's
14 consideration and approval, for determining how to unwind or otherwise resolve
15 the Pensioner and Investor transactions that are the subject of this case.

16 The largest category of work – Forensic Accounting – represents 56% of the
17 fees incurred in the Second Application period. One of the Receiver's primary
18 duties is accounting for and analyzing over four years of monthly transactional
19 activity for hundreds of contracts, responsibility for which historically transitioned
20 to/from several different individuals/entities over the course of those years. And
21 while some accounting software does exist, there are no comprehensive or detailed
22 books and records of the Pensioner and Investor accounts/transactions. The
23 forensic accounting, which the Appointment Order directs the Receiver to conduct,
24 is necessary to provide accurate information about the detailed sources and uses of
25 funds of the Receivership Entities.

26 A significant amount of progress was made on the forensic accounting
27 during the Second Application Period. By mid-July 2016, other than accounting
28 for older Chase Bank records then received, the majority of the forensic

1 accounting had been completed. The Receiver anticipates completing the forensic
2 accounting on or before September 30, 2016. As such, the Receiver expects the
3 Forensic Accounting category to remain the most significant category into the
4 third quarter of 2016.

5 The next two largest categories of work include Claims & Distributions
6 (including Pensioner and Investor communications) (18%) and Operations & Asset
7 Sales (13%). While the Receiver attempts to respond to pensioners and investors
8 with template responses and posting of answers to Frequently Asked Questions,
9 significant communications continue as Pensioners and Investors continually seek
10 updates. Additionally, correspondence with pensioners regarding payment status
11 and collection are reflected in this category. While the volume of inquiries has
12 remained significant, the Receiver has appointed an associate at a rate of more
13 than 40% less than her rate to be the first line of correspondence. The Receiver
14 reviews and advises on such correspondence, only as necessary.

15 The Operations & Asset Sales category primarily reflects work associated
16 with general operations of the receivership estate, collection of monthly payments
17 from Pensioners and analysis of Pensioner accounts. Both of these categories are
18 expected to remain consistent. In particular, the Operations & Asset Sales
19 category will remain a consistent component of the Receiver's fees due to the
20 continued servicing of the contracts.

21 Although the fees for the Second Application Period are significant, a
22 material amount of the work was performed in the Forensic Accounting and
23 Claims & Distributions categories as the Receiver carries out the primary order of
24 the Court – to complete the forensic accounting, the basis for the Receiver's Court-
25 ordered methodology proposal, which is to be presented for the Court's
26 consideration and approval, for determining how to unwind or otherwise resolve
27 the Pensioner and Investor transactions that are the subject of this case.

28

The Receiver has worked diligently and efficiently with urgent issues facing the receivership estate through the transition from an active enterprise to a Court-ordered receivership. Through these diligent and efficient efforts and with the assistance of Allen Matkins, as of June 30, 2016, the Receiver was able to recover, preserve, and protect over \$2.1 million in cash¹ and a \$1.1 million participating interest in a commercial real estate loan. The Receiver has worked diligently in carrying out her Court-ordered duties and should be compensated on an interim basis for her work.

II. SUMMARY OF TASKS PERFORMED AND COSTS INCURRED

A. Categories and Descriptions of Work

1. 02-General Receivership

The Receiver's work in the General Receivership category focused on (a) work associated with the Receivership Entities' income tax matters, (b) preparation for the April 13, 2016 hearing, (c) preparation of physical documents for storage, (d) transition of large bank balances to insured cash sweeps, (e) and website updates.

This work is largely non-recurring and is expected to reflect minimal time on a go-forward basis. The reasonable and necessary fees for work in this category during the Second Application Period total \$3,153.60.

2. 03-Asset Investigation & Recovery

In addition to securing the Receivership Entity bank accounts, the Receiver's initial investigation revealed the Receivership Entities' \$1.2 million (now \$1.1 million) participating interest in a commercial real estate loan. Upon contacting the lead lender for this loan, the Receiver discovered an additional and similar participating interest previously held in the name of a Receivership Entity

¹ The Receiver is also continuing monthly Pensioner payment collection, as appropriate. The cash balance in the Receivership Entity accounts upon the Receiver's appointment was approximately \$527,000.

1 retirement account. The Receiver promptly commenced an investigation into the
2 amount of Receivership Entity funds transferred into this account, which is
3 controlled by Defendant Edwin Lichtig. The Receiver's analysis of these transfers
4 was summarized and additional transfers to principals reviewed during the Second
5 Application Period.

6 The reasonable and necessary fees for work in this category during the
7 Second Application Period total \$388.80.

8 3. 04-Reporting

9 The Receiver's work in this category during the Second Application Period
10 focused on preparing the Receiver's First Interim Report (Dkt No. 87). Additional
11 time was spent on commencement of contact information verification for the
12 creditor list. This category will necessarily remain a consistent component of the
13 Receiver's fees. The reasonable and necessary fees for work in this category
14 during the Second Application Period total \$4,919.85.

15 4. 05-Operations & Asset Sales

16 During the Second Application Period, the Receiver's time in this category
17 primarily reflects the Pensioner payment collections, analysis of Pensioner
18 accounts (associated with bankruptcies, payment plan requests and related issues)
19 and other operational matters. Going forward, this category will be a consistent
20 fee category and is crucially important. The reasonable and necessary fees for
21 work during the Second Application Period in this category total \$8,595.45.

22 5. 06-Claims & Distributions

23 During the Second Application Period, the Receiver worked to respond to
24 voluminous direct inquiries from Pensioners, Investors, agents and others
25 regarding the impact of the receivership, the Investors' investments, and the
26 Pensioners' accounts. In light of hundreds of affected individuals, the inquiries are
27 voluminous and the Receiver anticipates will continue to be steady as the
28 Receivership progresses. While the Receiver attempts to respond to Pensioners and

1 Investors with template responses and posting of answers to Frequently Asked
2 Questions, significant communications continue as Pensioners and Investors
3 continually seek updates. Additionally, correspondence with Pensioners regarding
4 payment status and collection are reflected in this category. While the volume of
5 inquiries has remained significant, the Receiver has appointed an associate at a rate
6 of more than 40% less than her rate to be the first line of correspondence. The
7 Receiver reviews and advises on such correspondence, only as necessary.

8 The reasonable and necessary fees for work during the Second Application
9 Period in this category total \$12,061.80.

10 6. 10-Forensic Accounting

11 During the Second Application Period, this category focuses on the middle
12 stages of the Receiver's forensic accounting analysis. As previously discussed, the
13 Receivership Entities' books and records do not reflect each individual Pensioner
14 and Investor account activity (there is not a comprehensive account record of
15 Pensioner and Investor monies paid into and out of the enterprise). Therefore, the
16 Court-ordered forensic accounting is necessary to enable the Receiver to propose a
17 methodology, for the Court's consideration and approval, for determining how to
18 unwind or otherwise resolve the Pensioner and Investor transactions subject of this
19 case.

20 Due to the high volume of transactions and the lack of a thorough and
21 centralized accounting system, the forensic accounting project will take time to
22 complete. However, by mid-July 2016, other than accounting for older Chase
23 Bank records then received, the majority of the forensic accounting had been
24 completed. The Receiver anticipates completing the forensic accounting on or
25 before September 30, 2016. As such, the Receiver expects the Forensic
26 Accounting category to remain the most significant category into the third quarter
27 of 2016. The reasonable and necessary fees for work during the Second
28 Application Period in this category total \$36,586.80.

7. Summary of Expenses Requested for Reimbursement

The Receiver requests the Court approve reimbursement of \$460.33 in out-of-pocket costs. The itemization of such expenses is summarized below by category. The majority of the expenses incurred relate to the website and postage.

The total reasonable and necessary costs incurred by the Receiver during the Second Application Period is \$460.33 and is broken out by category as follows:

Category	Total
Copies/Supplies	\$20.40
Postage	\$184.93
Receivership Website Set-Up & Maintenance	\$255.00
TOTAL	\$ 460.33

III. THE FEES AND COSTS ARE REASONABLE AND SHOULD BE ALLOWED

"As a general rule, the expenses and fees of a receivership are a charge upon the property administered." *Gaskill v. Gordon*, 27 F.3d 248, 251 (7th Cir. 1994). These expenses include the fees and expenses of this Receiver and his professionals, including Allen Matkins. Decisions regarding the timing and amount of an award of fees and costs to me and his Professionals are committed to the sound discretion of the Court. *See SEC v. Elliot*, 953 F.2d 1560, 1577 (11th Cir. 1992) (rev'd in part on other grounds, 998 F.2d 922 (11th Cir. 1993)).

In allowing fees, a court should consider "the time, labor and skill required, but not necessarily that actually expended, in the proper performance of the duties imposed by the court upon the Receiver, the fair value of such time, labor and skill measured by conservative business standards, the degree of activity, integrity and dispatch with which the work is conducted and the result obtained." *United States v. Code Prods. Corp.*, 362 F. 2d 669, 673 (3d Cir. 1966) (internal quotation marks omitted). In practical terms, receiver and professional compensation thus ultimately rests upon the result of an equitable, multi-factor balancing test

1 involving the "economy of administration, the burden that the estate may be able
2 to bear, the amount of time required, although not necessarily expended, and the
3 overall value of the services to the estate." *In re Imperial 400 Nat'l, Inc.*, 432 F.2d
4 232, 237 (3d Cir. 1970). Regardless of how this balancing test is formulated, no
5 single factor is determinative and "a reasonable fee is based [upon] all
6 circumstances surrounding receivership." *SEC v. W.L. Moody & Co., Bankers*
7 *(Unincorporated)*, 374 F. Supp. 465, 480 (S.D. Tex. 1974).

8 As a preliminary matter, the Appointment Order confers on the Receiver
9 substantial duties and powers, including to conduct such investigation and
10 discovery as is necessary to locate and account for all receivership assets, take
11 such action as is necessary and appropriate to assume control over and preserve
12 receivership assets, and employ attorneys and others to investigate and, where
13 appropriate, institute, pursue, and prosecute all claims and causes of action of
14 whatever kind and nature.

15 The Receiver promptly determined that experienced, qualified counsel was
16 necessary due to the size and complexity of the receivership estate and the Court
17 agreed, specifically approving Allen Matkins' employment. Dkt. No. 86. The
18 Court also approved the Receiver's proposal to file interim reports and fee
19 applications on a quarterly basis. *Id.*

20 The Receiver has submitted a detailed fee application which describes the
21 nature of the services rendered, and the identity and billing rate of each individual
22 performing each task. *See* Exhibit A. The Receiver has endeavored to staff
23 matters as efficiently as possible while remaining cognizant of the importance of
24 issues presented. The request for fees is based on the Receiver's customary billing
25 rates charged for comparable services provided in other matters, less a 10%
26 discount.

27 The work performed by the Receiver was essential to carrying out the
28 Court-ordered duties. The Receiver and Allen Matkins have worked diligently

1 since the Receiver's appointment to preserve and protect the assets of receivership
2 estate and to carry out the Court's orders. Moreover, the Receiver seeks payment
3 of only 80% of fees incurred on an interim basis in recognition of the fact that her
4 work is ongoing. Payment of the proposed 20% holdback will be sought at the
5 conclusion of receivership. The Receiver's fees are fair and reasonable and should
6 be approved and paid on an interim basis.

7 **IV. CONCLUSION**

8 The Receiver therefore respectfully requests this Court enter an Order:

- 9 1. Approving the Receiver's fees, on an interim basis, of \$65,706.30;
10 2. Authorizing and directing the Receiver to pay 80% of approved fees,
11 or \$52,565.04, from the assets of Receivership Entities;
12 3. Approving the Receiver's costs in the amount of \$460.33, and
13 authorizing and directing the Receiver to reimburse such costs in full; and
14 4. For such other and further relief as the Court deems appropriate.
