**SECOND INTERIM FEE
APPLICATION OF ALLEN
MATKINS LECK GAMBLE
MALLORY & NATSIS LLP,
GENERAL COUNSEL TO THE
RECEIVER FOR PAYMENT OF
FEES AND REIMBURSEMENT OF
EXPENSES**

Date: October 21, 2016
Time: 2:30 p.m.
Ct. No.: 10A
Judge: Hon. Josephine L. Staton

1 Allen Matkins Leck Gamble Mallory & Natsis LLP ("Allen Matkins"),
2 general counsel to Krista L. Freitag ("Receiver"), the Court-appointed receiver for
3 Defendants Pension Funding, LLC, Pension Income, LLC, and their subsidiaries,
4 affiliates, and successors-in-interest (collectively, "Receivership Entities"), hereby
5 submits this first interim application for approval and payment of fees and
6 reimbursement of expenses ("Application"). This Application covers the period
7 from April 1, 2016, through June 30, 2016 ("Second Application Period"), and seeks
8 interim approval of \$30,655.35 in fees and \$600.06 in expenses, and an order
9 authorizing the Receiver to pay, on an interim basis, 80% of the fees incurred
10 (\$24,524.28) and 100% of expenses incurred. As it has throughout this case, Allen
11 Matkins has discounted its customary hourly rates by 10%.

12 I. INTRODUCTION

13 This equity receivership arises from the Complaint for Violations of the
14 Consumer Financial Protection Act and New York Banking and Financial Services
15 Laws ("Complaint") (Dkt. No. 1) filed on August 20, 2015, by the Consumer
16 Financial Protection Bureau ("Bureau") and Superintendent of Financial Services of
17 the State of New York ("Superintendent"). On or about January 8, 2016, pursuant to
18 the Court's Order Entering Stipulated Preliminary Injunction, Appointment of a
19 Receiver, and Related Matters ("Appointment Order"), the Receiver took control of
20 the Receivership Entities, their books and records, bank accounts, and assets.

21 The Appointment Order confers full powers of an equity receiver, including
22 full power over all funds, assets, books, records, and other real or personal property
23 of the Receivership Entities, and including all funds and assets transferred from
24 Pension Funding, LLC or Pension Income, LLC to entities controlled or managed by
25 Edwin Lichtig or Rex Hofelter, including PGR, LLC. The Appointment Order also
26 authorizes the Receiver to "engage and employ attorneys, accountants, and other
27 persons" to assist her in the performance of her duties. Dkt. No. 61, Section III(C).

28

The Receiver promptly determined that her experienced staff at E3 Realty Advisors, Inc., dba E3 Advisors ("E3"), as well as experienced, qualified counsel was critical due to the number of people involved, the transactional volume, and complex issues facing the receivership estate. Accordingly, the Receiver has cost-effectively used her team at E3 to assist in carrying out receivership duties and engaged Allen Matkins to act as her counsel.

In an abundance of caution, the Receiver sought specific Court approval of Allen Matkins' employment, which was granted as reflected in the minutes of the hearing on April 13, 2016. Dkt. Nos. 71, 86. The Court also approved the Receiver's proposal to file reports and fee applications on a quarterly basis. *Id.*

II. FEE APPLICATION

This fee application should be read in conjunction with the Receiver's Second Interim Report ("Second Report") filed on July 29, 2016 (Dkt. No. 100), which describes in detail the Receiver's activities during the Second Application Period. So as to avoid repetition, references are made to relevant portions of the Second Report in the below descriptions of Allen Matkins' work.

This Application seeks interim approval of \$30,655.35 in fees for a total of 61.7 hours worked, and payment on an interim basis of 80% of that amount, or \$24,524.28. The work performed is described task-by-task on Exhibit A and is broken down into the following categories:

Category	Hours	Amount
General Receivership	12.00	\$5,962.95
Asset Investigation	35.30	\$17,694.00
Reporting	7.10	\$3,450.60
Claims & Distributions	1.70	\$826.20
Pending Litigation	1.40	\$680.40
Employment/Fees	4.20	\$2,041.20
Total Fees	61.70	\$30,655.35

Allen Matkins has worked diligently and efficiently to assist the Receiver with urgent legal issues facing the receivership estate. The firm's work has allowed the Receiver to preserve and protect the substantial value of receivership estate assets, including approximately \$2.1 million in cash, a \$1.1 million participating interest in a commercial real estate loan, as well as pension payments owed by pensioners. Allen Matkins' work has assisted the Receiver in carrying out her Court-ordered duties and the firm should be compensated on an interim basis.

III. SUMMARY OF TASKS PERFORMED AND COSTS INCURRED

A. Categories and Descriptions of Work

1. General Receivership

Allen Matkins' work in this category focused on analyzing issues raised by the bankruptcy case of Defendant Edwin Lichtig. On March 1, 2016, Mr. Lichtig filed a Chapter 13 bankruptcy petition in the Northern District of California in an effort to discharge his \$282,000 obligation to the receivership estate pursuant to the Court-approved stipulated final judgment entered on February 10, 2016. Dkt. No. 69. Allen Matkins assisted the Receiver in reviewing key documents, analyzing issues raised by the bankruptcy, conferring with counsel for the plaintiffs, and developing a strategy to protect the receivership estate's interests. The bankruptcy case was later dismissed on April 20, 2016.

Additionally, with respect to the Motion for Order in Aid of Receivership (Dkt. No. 71), the hearing for which was continued by the Court *sua sponte* from April 1, 2016. to April 8, 2016, Allen Matkins contacted the Court and the parties concerning a scheduling conflict on April 8, 2016, and prepared and filed a stipulation to continue the hearing. The stipulation was approved and the hearing was moved to April 13, 2016. Edward Fates of Allen Matkins attended the April 13, 2016 hearing, along with the Receiver, at which time the motion was granted with one modification regarding filing a schedule of known creditors. The reasonable and necessary fees for Allen Matkins' work in this category total \$5,962.95.

1 2. Asset Investigation

2 Allen Matkins' time in this category focused on protecting the receivership
3 estate's interests with respect to bankruptcy cases filed by pensioners. This included
4 reviewing and analyzing pensioner agreements and drafting a detailed explanation
5 of the pension advance transactions in support of the necessary proofs of claim,
6 which were filed in the applicable bankruptcy cases. Much of this work is non-
7 recurring as it involved developing a proof of claim template describing the details
8 of the pension advance transactions, which has since been used in other pensioner
9 bankruptcy cases and has reduced the fees incurred in connection with those
10 matters. Allen Matkins also monitored the bankruptcy cases and corresponded with
11 the bankruptcy courts and bankruptcy trustees as necessary to ensure proper receipt
12 and acceptance of the proofs of claim and to address developments in the
13 bankruptcy cases.

14 In addition, Allen Matkins assisted the Receiver in preparing and issuing
15 subpoenas for documents necessary for her investigation and accounting, including
16 following up with subpoena recipients to ensure compliance and reviewing
17 documents received. Finally, the firm assisted in investigating transfers from the
18 Receivership Entities to Mr. Lichtig's retirement accounts and evaluating potential
19 claims relating to such transfers. The reasonable and necessary fees for work in this
20 category total \$17,694.00.

21 3. Reporting

22 Allen Matkins' time in this category focused preparing the Receiver's First
23 Interim Report, which was filed on April 29, 2016. Dkt. No. 87. The First Interim
24 Report contains a detailed description of the Receiver's activities during the first
25 quarter of 2016, including cash recovered, the takeover of the Receivership Entities'
26 operations, books and records, and assets, interviews with employees and witnesses,
27 an initial analysis of assets, compliance with 28 U.S.C. § 754, investor
28 communications, the Lightig bankruptcy, and post-receivership receipts and

1 disbursements. The report also includes the Receiver's initial recommendations for
2 the continued administration of the receivership estate. Finally, initial work on the
3 Receiver's Second Interim Report was also performed in late June 2016. The
4 reasonable and necessary fees for work in this category total \$3,450.60.

5 4. Claims and Distributions

6 Allen Matkins' time in this category focused on responding to specific
7 inquiries from investors concerning their claims, distributions, and other issues
8 related to the receivership. The firm also helped the Receiver draft Frequently
9 Asked Questions for the receivership website to address common questions from
10 investors. The reasonable and necessary fees for work in this category total
11 \$826.20.

12 5. Pending Litigation

13 Prior to the receivership, the Receivership Entities had sued a pensioner in
14 state court to collect an amount owed under his pension advance contract. Allen
15 Matkins assisted the Receiver in reviewing the litigation, communicating with
16 counsel that had been retained by the Receivership Entities to prosecute the case,
17 and in dismissing the case without prejudice to later pursuing collection in a
18 separate action. The reasonable and necessary fees for work in this category total
19 \$680.40.

20 6. Employment/Fees

21 Allen Matkins time in this category focuses on preparing the First Interim Fee
22 Applications of the Receiver and Allen Matkins, as required by the Court's Local
23 Rules (L.R. 66-7(f)) and the Appointment Order (Dkt. No. 61, Section VIII). The
24 First Interim Fee Applications were filed on May 11, 2016 (Dkt. Nos. 88, 89) and
25 granted by the Court on July 7, 2016 (Dkt. No. 95). Time spent preparing required
26 fee applications has been held to be compensable time. *See In re Nucorp*
27 *Energy, Inc.*, 764 F.2d 655, 662 (9th Cir. 1985). The reasonable and necessary fees
28 for work in this category total \$2,041.20.

B. Summary of Expenses Requested for Reimbursement

Allen Matkins requests the Court approve reimbursement of \$600.06 in out-of-pocket costs. The itemization of such expenses is summarized below by category. The majority of the expenses incurred relate to the issuance and service of subpoenas, payments for documents produced, and the 28 U.S.C. § 754 filings noted above. As explained above, Allen Matkins issued eight subpoenas to banks, financial institutions, and other third parties to obtain documents necessary to the Receiver's investigation and accounting. Each of these subpoenas required proper service. The total for costs incurred by Allen Matkins during the Application Period is \$2,057.79 and is broken down by category as follows:

Category	Total
Legal Research (Lexis, Pacer, etc.)	\$35.20
Service of Process	288.25
Subpoena Document Production Costs	108.00
Messenger Fees	83.09
Word Processing	27.00
Duplication/Postage	58.52
TOTAL	\$ 600.06

**IV. THE FEES AND COSTS ARE REASONABLE
AND SHOULD BE ALLOWED**

"As a general rule, the expenses and fees of a receivership are a charge upon the property administered." *Gaskill v. Gordon*, 27 F.3d 248, 251 (7th Cir. 1994). These expenses include the fees and expenses of this Receiver and his professionals, including Allen Matkins. Decisions regarding the timing and amount of an award of fees and costs to the Receiver and his Professionals are committed to the sound discretion of the Court. See *SEC v. Elliot*, 953 F.2d 1560, 1577 (11th Cir. 1992) (rev'd in part on other grounds, 998 F.2d 922 (11th Cir. 1993)).

In allowing fees, a court should consider "the time, labor and skill required, but not necessarily that actually expended, in the proper performance of the duties

1 imposed by the court upon the receiver[], the fair value of such time, labor and skill
2 measured by conservative business standards, the degree of activity, integrity and
3 dispatch with which the work is conducted and the result obtained." *United States v.*
4 *Code Prods. Corp.*, 362 F. 2d 669, 673 (3d Cir. 1966) (internal quotation marks
5 omitted). In practical terms, receiver and professional compensation thus ultimately
6 rests upon the result of an equitable, multi-factor balancing test involving the
7 "economy of administration, the burden that the estate may be able to bear, the
8 amount of time required, although not necessarily expended, and the overall value of
9 the services to the estate." *In re Imperial 400 Nat'l, Inc.*, 432 F.2d 232, 237 (3d Cir.
10 1970). Regardless of how this balancing test is formulated, no single factor is
11 determinative and "a reasonable fee is based [upon] all circumstances surrounding
12 the receivership." *SEC v. W.L. Moody & Co., Bankers (Unincorporated)*,
13 374 F. Supp. 465, 480 (S.D. Tex. 1974).

14 As a preliminary matter, the Appointment Order confers on the Receiver
15 substantial duties and powers, including to conduct such investigation and discovery
16 as is necessary to locate and account for all receivership assets, take such action as is
17 necessary and appropriate to assume control over and preserve receivership assets,
18 and employ attorneys and others to investigate and, where appropriate, institute,
19 pursue, and prosecute all claims and causes of action of whatever kind and nature.
20 See Appointment Order, Section III.

21 The Receiver promptly determined that experienced, qualified counsel was
22 necessary due to the size and complexity of the receivership estate and the Court
23 agreed, specifically approving Allen Matkins' employment. Dkt. No. 86. The Court
24 also approved the Receiver's proposal to file interim reports and fee applications on
25 a quarterly basis. *Id.*

26 Allen Matkins has submitted a detailed fee application which describes the
27 nature of the services rendered, and the identity and billing rate of each individual
28 performing each task. *See* Exhibit A. Allen Matkins has endeavored to staff matters

1 as efficiently as possible while remaining cognizant of the complexity of issues.
 2 The request for fees is based on Allen Matkins' customary billing rates charged for
 3 comparable services provided in other matters, less a 10% discount.

4 The work performed by Allen Matkins was essential to carrying out the
 5 Receiver's Court-ordered duties. The Receiver and Allen Matkins have worked
 6 diligently since the Receiver's appointment to preserve and protect the assets of the
 7 receivership estate, to investigate and recover sums transferred to third parties, and
 8 to maximize the funds available for ultimate distribution to investors. Moreover,
 9 Allen Matkins seeks payment of only 80% of fees incurred on an interim basis in
 10 recognition of the fact that its work in assisting the Receiver is ongoing. Payment of
 11 the proposed 20% holdback will be sought at the conclusion of the receivership.
 12 Allen Matkins' fees are fair and reasonable and should be approved and paid on an
 13 interim basis.

14 V. CONCLUSION

15 Allen Matkins therefore respectfully requests this Court enter an Order:

- 16 1. Approving Allen Matkins' fees, on an interim basis, of \$30,655.35;
- 17 2. Authorizing and directing the Receiver to pay 80% of approved fees, or
 18 \$24,524.28, from the assets of the Receivership Entities;
- 19 3. Approving Allen Matkins' costs in the amount of \$600.06 and
 20 authorizing and directing the Receiver to reimburse such costs in full; and
- 21 4. For such other and further relief as the Court deems appropriate.
