1 Allen Matkins Leck Gamble Mallory & Natsis LLP ("Allen Matkins"), general
 2 counsel to Krista L. Freitag ("Receiver"), the Court-appointed receiver for
 3 Defendants Pension Funding, LLC, Pension Income, LLC, and their subsidiaries,
 4 affiliates, and successors-in-interest (collectively, "Receivership Entities"), hereby
 5 submits this final application for approval and payment of fees and reimbursement of
 6 expenses ("Application"). This Application is filed concurrently with the Receiver's
 7 Motion to Conclude the Receivership ("Motion to Conclude") as well as the
 8 Receiver's fee application.

9 Allen Matkins seeks approval of the total fees and costs incurred by the firm
 10 for the receivership in the amount of \$390,525.66, which includes the following:

- 11 • Approval and payment of fees and costs incurred during the 3 month
 12 period from October 1, 2018 through December 31, 2018 ("Final
 13 Application Period") of \$5,560.65 and \$188.80;
- 14 • Final approval of the firm's eleven interim fee applications¹ and of the
 15 \$294,924.29 (\$281,805.15 of fees and \$13,119.14 of expenses)
 16 previously paid in connection with those applications;
- 17 • Approval and payment of fees held back from Allen Matkins' eleven
 18 interim fee applications in the total amount of \$69,963.75 ("Holdback
 19 Amount"); and
- 20 • Approval of estimated fees and costs of up to \$12,000 for remaining
 21 legal work to conclude the receivership, including work in January 2019
 22 on the Receiver's Motion to Conclude and work to assist the Receiver
 23 with tasks remaining to close the receivership.

27 ¹ Allen Matkins' eleven interim fee applications, along with bills reflecting the
 28 work performed during each period can be found at Dkt. Nos. 89, 109, 120, 132,
 143, 153, 160, 169, 182, 189, and 197 and are incorporated herein by this
 reference.

I. INTRODUCTION

Allen Matkins has diligently assisted the Receiver in carrying out her Court-ordered duties over the last three years since her appointment on January 8, 2016. In summary, Allen Matkins has assisted the Receiver with recovery of a total of approximately \$5.02 million primary from the collection of lump sum advances owed by pensioners, but also from the Lynk Capital loan participation interest, as well as the judgment amounts paid by Defendants Lichtig and Hofelter. Administrative fees and costs for Allen Matkins, if all fee applications are approved, amount to approximately \$381,000, or about 8% of the total recovery. The Receiver's fees, if all fee applications are approved, amount to approximately \$518,000 million, or about 10% of the total recovery.

If the Motion to Conclude filed herewith and the fee applications are granted, the proposed final distribution will be approximately \$70,000; as such, investors will have recovered approximately 57% of their investments, factoring in pre-receivership payments and distributions under the distribution plan approved by the Court on May 31, 2017 (the "Distribution Plan").

The Receiver, with Allen Matkins' assistance, has completed her Court-ordered duties, including securing, preserving and protecting the Receivership Entities' assets, completing a detailed forensic accounting of the sources and uses of funds of the Receivership Entities, pursuing collection of lump sum advances to Pensioners, as well as the Lynk Capital loan participation interest, and completing a claims and distribution process.

The Receiver and Allen Matkins have filed detailed reports on activities on a quarterly basis throughout the case and have sought Court authority and approval of all sales of assets, pursuits of litigation, as well as all aspects of the investor claims process and distribution of receivership estate funds. The Receiver and Allen Matkins have also filed interim fee applications on a quarterly basis throughout the

1 case, including a hold back of 20% of fees incurred from each application; all of the
2 interim fee applications have been granted.

3 With respect to projected fees and costs for remaining work, the legal work
4 starting on January 1, 2019 necessary to conclude the receivership includes
5 (1) assisting the Receiver in preparing the Motion to Conclude, including meet and
6 confer communications with counsel for the Consumer Financial Protection Bureau
7 and counsel for the New York Department of Financial Services, (2) addressing any
8 responses to the Motion to Conclude and attending the hearing, if one is held,
9 (3) advising the Receiver on making administrative payments and final distributions
10 to approved claimants and establishing a reserve for remaining administrative
11 payments; and (4) otherwise assisting the Receiver in the discharge of her duties
12 necessary to close the receivership.

13 Accordingly, Allen Matkins requests final approval of its total fees and costs
14 for the receivership in the amount of \$380,687.37, including final approval of the
15 \$292,974.17 (\$279,855.00 of fees and \$13,119.17 of costs) paid to the firm on an
16 interim basis, fees and costs incurred during the Final Application Period of
17 \$5,560.65 and \$188.80, fees held back from its eleven previously-approved interim
18 fee applications of \$69,963.75, and projected fees and costs to complete the legal
19 tasks remaining to conclude the receivership of up to \$12,000.

20 Counsel for the Consumer Financial Protection Bureau ("Bureau") and counsel
21 for the Department of Financial Services for the State of New York ("DFS") have
22 reviewed this Application, along with Receiver's fee application filed concurrently
23 herewith. The Bureau and DFS do not oppose the applications.

24 **II. FINAL APPLICATION PERIOD**

25 The fees incurred by Allen Matkins during the Final Application Period (a
26 three-month period) total \$5,560.65 in fees for a total of 10.60 hours worked. The
27 work performed is described task-by-task on Exhibit A (by category) and Exhibit B
28

(broken down by date and timekeeper). The hours and fees are billed to the following categories.

Category	Hours	Amount
Asset Investigation	5.9	\$2,916.90
Reporting	1.5	\$843.75
Claims & Distributions	0.2	\$112.50
Employment/Fees	3.0	\$1,687.50
Total Fees	10.60	\$5,560.65

Allen Matkins has worked diligently and efficiently to assist the Receiver with important legal issues necessary to preserve and protect the substantial value of receivership estate assets and in carrying out her Court-ordered duties and therefore should be compensated for its work. As reflected in the bills attached as Exhibit A, legal work performed by Allen Matkins' attorneys and staff during the Final Application Period did not overlap with or duplicate the receiver's work. Exhibit A provides a detailed list of each and every charge, sorted by category of work, person executing the work and task performed.

III. SUMMARY OF TASKS PERFORMED AND COSTS INCURRED

A. Categories and Descriptions of Work

1. Asset Investigation

Allen Matkins' time in this category focused on protecting the receivership estate's interests with respect to the pensioner contracts affected by bankruptcy cases, settlements, or default judgments. Allen Matkins continued monitoring the bankruptcy cases for status and payments to the Receivership Entities. This work included:

- Reviewing case dockets and key filings in the cases;
- Communications with counsel representing bankruptcy trustees; and
- Providing updates to the Receiver and advising on recovery strategies.

The reasonable and necessary fees for work in this category total \$2,916.90.

1 In its order granting Allen Matkins' Third Interim Fee Application, the Court
2 noted that the majority of the time in the Asset Investigation category was billed by
3 partner Yale Kim at \$549 per hour and stated that if the firm's *time-intensive* work in
4 the Asset Investigation category continues, the Court expects that some of that work
5 would be delegated to an associate with a lower hourly rate. Dkt. No. 129, p. 7.
6 Accordingly, in connection with its Fourth through Ninth Interim Fee Applications,
7 Allen Matkins wrote off significant portions of Mr. Kim's time, effectively reducing
8 his hourly rate to that of an associate. However, the number of pensioner contracts
9 affected by bankruptcies has decreased to the point where this work is no longer
10 time-intensive – less than 6 hours were spent in this category during the entire three-
11 month application period. Accordingly, Allen Matkins submits that the hourly rates
12 and limited fees requested (\$2,916.90) are fair and reasonable under the
13 circumstances.

14 2. Reporting

15 Allen Matkins' time in this category focused on preparing the Receiver's
16 Eleventh Interim Report ("Eleventh Report"), which was filed on November 8, 2018.
17 Dkt. No. 194. The Eleventh Report contains a detailed description of the Receiver's
18 activities during the third quarter of 2018, including cash recovered, investor
19 communications, and post-receivership receipts and disbursements. The report also
20 includes the Receiver's recommendations for the continued administration of the
21 receivership estate. The reasonable and necessary fees for this work total \$843.75.

22 3. Claims and Distributions

23 Allen Matkins' time in this category focused on responding to specific
24 inquiries from investors, pensioners, and their counsel concerning their claims, rising
25 tide distributions, and other issues related to the receivership. The reasonable and
26 necessary fees for work in this category total \$112.50.

27

28

4. Employment/Fees

Allen Matkins' time in this category focused on preparing the Eleventh Interim Fee Applications of the Receiver and Allen Matkins, as required by the Court's Local Rules (L.R. 66-7(f)) and the Appointment Order (Dkt. No. 61, Section VIII). The Eleventh Interim Fee Applications were filed on December 20, 2018 (Dkt. Nos. 196-197). Time spent preparing required fee applications has been held to be compensable time. *See In re Nucorp Energy, Inc.*, 764 F.2d 655, 662 (9th Cir. 1985). The reasonable and necessary fees for work in this category total \$1,687.50.

B. Summary of Expenses Requested for Reimbursement

Allen Matkins requests the Court approve reimbursement of \$188.80 in out-of-pocket costs. The itemization of such expenses is summarized below by category. The expenses relate to duplication and messenger fees for court filings incurred in connection with the four cases against pensioners who have defaulted on their loan payments. The costs incurred by Allen Matkins during the Eleventh Application Period are broken down by category as follows:

Category	Total
Duplication/Postage/Facsimile	\$17.86
Messenger/FedEx Fees	\$67.44
Document Searches (including PACER, Lexis, Secretary of State)	\$2.50
Recordation Fees	\$101.00
TOTAL	\$ 188.80

**IV. APPROVAL OF PRIOR INTERIM FEE APPLICATIONS AND
PAYMENT OF HOLDBACKS**

Allen Matkins respectfully requests that the Court grant final approval of the firm's eleven interim fee applications and that the Receiver be authorized to pay the amounts held back from those eleven interim fee applications as follows:

FEE APPLICATION	FEES INCURRED	INTERIM 80% PAYMENT	20% HOLDBACK
First	\$36,163.35	\$28,930.68	\$7,232.67
Second	\$30,655.35	\$24,524.28	\$6,131.07
Third	\$59,112.45	\$47,289.96	\$11,822.49
Fourth	\$35,832.15	\$28,658.52	\$7,164.49
Fifth	\$44,138.25	\$35,310.60	\$8,827.65
Sixth	\$40,674.60	\$32,539.68	\$8,134.92
Seventh	\$22,736.70	\$18,189.36	\$4,547.34
Eighth	\$13,362.30	\$10,689.84	\$2,672.46
Ninth	\$27,204.75	\$21,763.80	\$5,440.95
Tenth	\$30,197.70	\$24,158.16	\$6,039.54
Eleventh	\$9,750.15	\$7,800.12	\$1,950.03
TOTAL	\$349,827.75	\$279,855.00	\$69,963.61

**V. THE FEES AND COSTS ARE REASONABLE
AND SHOULD BE ALLOWED**

"As a general rule, the expenses and fees of a receivership are a charge upon the property administered." *Gaskill v. Gordon*, 27 F.3d 248, 251 (7th Cir. 1994). These expenses include the fees and expenses of the Receiver and her professionals, including Allen Matkins. Decisions regarding the timing and amount of an award of fees and costs are committed to the sound discretion of the Court. See *SEC v. Elliot*, 953 F.2d 1560, 1577 (11th Cir. 1992) (rev'd in part on other grounds, 998 F.2d 922 (11th Cir. 1993)).

In allowing fees, a court should consider "the time, labor and skill required, but not necessarily that actually expended, in the proper performance of the duties imposed by the court upon the receiver[], the fair value of such time, labor and skill measured by conservative business standards, the degree of activity, integrity and dispatch with which the work is conducted and the result obtained." *United States v. Code Prods. Corp.*, 362 F. 2d 669, 673 (3d Cir. 1966) (internal quotation marks

1 omitted). In practical terms, receiver and professional compensation thus ultimately
2 rests upon the result of an equitable, multi-factor balancing test involving the
3 "economy of administration, the burden that the estate may be able to bear, the
4 amount of time required, although not necessarily expended, and the overall value of
5 the services to the estate." *In re Imperial 400 Nat'l, Inc.*, 432 F.2d 232, 237 (3d Cir.
6 1970). Regardless of how this balancing test is formulated, no single factor is
7 determinative and "a reasonable fee is based [upon] all circumstances surrounding
8 the receivership." *SEC v. W.L. Moody & Co., Bankers (Unincorporated)*,
9 374 F. Supp. 465, 480 (S.D. Tex. 1974).

10 As a preliminary matter, the Appointment Order confers on the Receiver
11 substantial duties and powers, including to conduct such investigation and discovery
12 as is necessary to locate and account for all receivership assets, take such action as is
13 necessary and appropriate to assume control over and preserve receivership assets,
14 and employ attorneys and others to investigate and, where appropriate, institute,
15 pursue, and prosecute all claims and causes of action of whatever kind and nature.
16 *See* Appointment Order, Section III.

17 The Receiver promptly determined that experienced, qualified counsel was
18 necessary due to the size and complexity of the receivership estate and the Court
19 agreed, specifically approving Allen Matkins' employment. Dkt. No. 86. The Court
20 also approved the Receiver's proposal to file interim reports and fee applications on a
21 quarterly basis. *Id.*

22 Allen Matkins has submitted eleven detailed interim fee applications, as well
23 as this application, which describe the nature of the services rendered, and the
24 identity and billing rate of each individual performing each task. Throughout the
25 receivership, Allen Matkins has endeavored to staff matters as efficiently as possible
26 while remaining cognizant of the complexity of issues presented. All of Allen
27 Matkins' requests for fees have been based on the firm's customary billing rates
28 charged for comparable services provided in other matters, less a 10% discount. In

1 addition, over the course of the receivership, Allen Matkins has written off \$22,510
2 in fees in recognition of the need to conserve receivership assts.

3 The work performed by Allen Matkins throughout the receivership was
4 essential to carrying out the Receiver's Court-ordered duties. The Receiver and Allen
5 Matkins have worked diligently since the Receiver's appointment to preserve and
6 protect the assets of the receivership estate, to investigate and recover sums
7 transferred to third parties, and to maximize the funds available for ultimate
8 distribution to investors.

9 VI. CONCLUSION

10 Allen Matkins therefore respectfully requests this Court enter an Order:

11 1. Approving Allen Matkins' fees and costs for the receivership in the
12 amount of \$380,687.37, including:

13 a. Approval and authority to pay fees of \$5,560.65 and costs of
14 \$188.80 for the Final Application Period;

15 b. Approval, on a final basis of the \$292,974.17 (\$279,855.00 of
16 fees and \$13,119.17 of costs) paid to Allen Matkins pursuant to its eleven interim fee
17 applications;

18 c. Approval and authority to pay fees held back from Allen Matkins
19 eleven interim fee applications in the amount of \$69,963.75;

20 d. Approval and authority to pay projected fees and costs from the
21 reserve in an amount up to \$12,000 to complete the legal tasks remaining to conclude
22 the receivership; and

23 2. Granting such other and further relief as the Court deems appropriate.
