V.

CHARLES P. COPELAND,
COPELAND WEALTH
MANAGEMENT, A FINANCIAL
ADVISORY CORPORATION, and
COPELAND WEALTH
MANAGEMENT, A REAL ESTATE
CORPORATION.

**FIRST INTERIM APPLICATION
FOR APPROVAL AND PAYMENT
OF FEES AND COSTS TO THOMAS
C. HEBRANK, AS RECEIVER**

Date: April 2, 2012
Time: 10:00 a.m.
Ctrm: 8, 2nd Floor
Judge: Hon. Manuel L. Real

Defendants.

1 Thomas C. Hebrank ("Receiver"), the Court-appointed permanent receiver for
2 Copeland Wealth Management, a Financial Advisory Corporation ("CWM"),
3 Copeland Wealth Management, a Real Estate Corporation ("Copeland Realty"), and
4 their subsidiaries and affiliates (collectively, the "Receivership Entities"), hereby
5 submits his first interim application for approval and payment of fees and
6 reimbursement of expenses. This application covers fees and costs incurred during
7 the period October 25, 2011, through December 31, 2011 (the "Application
8 Period").

9 The Receiver has incurred and seeks interim approval and payment on an
10 interim basis of \$73,651.50 in fees and \$2,432.07 in costs for this Application
11 Period. Detailed descriptions of the services rendered are contained in Exhibit A
12 attached hereto. Exhibit B is a chart reflecting the hours and fees billed to each
13 category of services on a monthly basis during the Application Period. Exhibit C is
14 a summary of the out-of-pocket costs. During the Application Period, the Receiver
15 and his staff have spent 368 hours at an overall blended billing rate of \$200
16 per hour. The Receiver has discounted all fees by ten percent (10%) from regular
17 hourly billing rates.

18

19 I. OVERVIEW

20 A detailed description of the history and status of the case is contained in the
21 Receiver's First Interim Report and Receiver's Report #2. The following is an
22 overview of the Receivership case for the Application Period.

23

24 A. Receiver's Initial Activities

25 Since his appointment on October 25, 2011, the Receiver has secured the
26 offices of the Receivership Entities, met with and interviewed their employees,
27 caused himself to be added as the sole authorized signatory for their bank and
28 brokerage accounts, gathered and reviewed their financial statements, and caused all

1 data on their computer servers and hard drives to be imaged and preserved. As
2 required under 28 U.S.C. § 754, the Receiver has caused the Complaint and
3 Judgment to be filed in the six judicial districts (not including this district) in which
4 the Receivership Entities own property. The Receiver has also caused the
5 Complaint and Judgment to be recorded in the real property records for each county
6 in which the Receivership Entities own Property. The Receivership Entities' mail
7 has been forwarded to the Receiver's office.

8

9 **B. Copeland Realty Business Operations**

10 Copeland Realty's business is essentially to manage the eight commercial
11 properties owned by the various Copeland Real Estate Limited Partnerships. The
12 Receiver has terminated the Copeland Realty employees and closed down the
13 administrative office. The Receiver has taken over operations for the properties,
14 including managing the properties, responding to tenant needs, working on leasing,
15 receiving rents, paying operating expenses and property taxes, and monitoring
16 insurance.

17

18 **C. CWM Business Operations**

19 CWM's business consisted of providing a mutual fund platform at Charles
20 Schwab and TD Ameritrade where approximately 200 clients with assets of
21 approximately \$125,000,000 were provided with financial advisory services. Prior
22 to inception of the receivership, CWM had entered into a transaction to sell its
23 financial advisory business to Elevage Partners, LLC ("Elevage"). The Receiver
24 had to renegotiate provisions of the transaction under tight deadlines in order to (a)
25 limit the receivership estate's exposure to claims, (b) to provide clients with access
26 to a new investment advisor as soon as possible; and (c) complete the sale of the
27 business to Elevage in a timely manner as the value of the business was rapidly
28 diminishing due to the negative publicity associated with the complaint and

1 receivership filing. The sale was approved on November 18, 2011, and closed the
2 same day. The wind down included terminating employees, and dealing with
3 numerous transition issues involving Charles Schwab, TD Ameritrade and client tax
4 and custodial situations and issues.

D. Preliminary Forensic Accounting Review

7 While the Receiver has not yet begun his complete forensic review of the
8 Copeland Entities due to uncertainty regarding the status of the Limited Partnerships
9 as Receivership Entities, the Receiver has performed a preliminary review of the 23
10 Limited Partnerships (which are in the form of Private Equity, Fixed Income, and
11 Real Estate Funds) formed by Copeland Realty and CWM. The balance sheets,
12 which were prepared by Defendant Charles Copeland and Copeland Accountancy,
13 reflect that the Copeland Entities owed one another approximately \$16.4 million on
14 account of intercompany loans, that they invested approximately \$3.1 million in one
15 another, and are additionally owed approximately \$6.5 million on account of loans
16 to limited partners, CWM clients, Charles Copeland and other related parties.

E. Miscellaneous Issues

19 In addition to the issues discussed above, the Receiver has also devoted time
20 to the following important issues and items.

1. Copeland Properties 18 Bankruptcy – The Greensboro, NC commercial property owned by Copeland Properties 18, LP (“CP18”) is in Chapter 11 Bankruptcy in NC, which was commenced prior to the receivership. Prior to the Receiver’s appointment, CP18 had entered into a Purchase and Sale Agreement (“PSA”) with a potential buyer for the property. The PSA had expired at the time of the Receiver’s appointment. The Receiver’s entered into negotiations with the buyer and

1 attempted to enter into a fifth proposed amendment that would
2 have reinstated the PSA at substantially similar terms. The
3 Receiver obtained an appraisal in order to substantiate the
4 proposed purchase price. However, the buyer reduced their offer
5 at the end of negotiations to a price the Receiver determined did
6 not reflect its market value, and the property is no longer under
7 contract. The Receiver is working with local bankruptcy counsel
8 and the Bankruptcy Administrator to dismiss the bankruptcy
9 case, and upon approval of the Court, to again market the
10 property for sale.

- 11 2. Palm Springs Condominium Sale – The Receiver worked to
12 close the sale of this Copeland Realty asset. The motion was
13 filed on November 18, 2011, and approved by the Court on
14 February 13, 2012. The sale price was \$75,000.
- 15 3. Pending Litigation – Certain of the Copeland Entities, including
16 Copeland Realty, CWM, Copeland Private Equity Two, and
17 Copeland Properties Three, Six, Eight and Twelve are parties in
18 one or more pending lawsuits. The Receiver and his proposed
19 counsel have provided notice of the receivership to the relevant
20 courts and parties in these actions, reviewed pleadings, and
21 corresponded with the parties regarding status of the receivership
22 and their respective actions.
- 23 4. Investor Communications – The Receiver maintains a website to
24 provide investors and others with up to date information
25 regarding the receivership. The Receiver promptly responds to
26 all calls and emails from investors. In addition, the Receiver
27 held a meeting with investors in Redlands, California to provide
28 information regarding the receivership and to answer their

1 questions.

2

3 **II. FEE APPLICATION**

4 The Receiver has recorded its time in the following categories:

- 5 A. General Receivership
- 6 B. Asset Investigation & Recovery
- 7 C. Reporting
- 8 D. Operations & Asset Sales
- 9 E. Claims & Distributions
- 10 F. Legal Matters & Pending Litigation

11 Although some tasks cross multiple categories, effort is made to allocate time
12 to the most appropriate category in each instance.

13

14 **A. General Receivership**

15 This category contains time spent by the Receiver on (a) participating in
16 initial meetings and conferences with the SEC and legal counsel, (b) general
17 administrative matters including reviewing mail, emails and other correspondence
18 directed to the Receivership Entities, (c) providing notice of the receivership to all
19 lenders, vendors and tenants, and related correspondence, (d) general bank account
20 administration; and (e) maintaining and updating the Receiver's website with case
21 information and documents.

22 The Receiver had to research and prepare lists of lenders, vendors, tenants
23 and investors in order to provide proper notifications of the receivership and
24 subsequent relevant actions. In addition, CWM and Copeland Realty maintained
25 investor and banking relationships at four separate firms, several of which proved to
26 be very difficult to work with regarding compliance and operational issues. The
27 Receiver was finally required to consolidate all of the Receivership Entities at a new
28 financial institution in order to alleviate these operational issues and problems.

Name	Title	Rate	Hours	Fees
T. Hebrank	Receiver	\$225	113.8	\$22,342.50

Avg. Hourly Rate		\$176.32		

B. Asset Investigation & Recovery

Services in this category include time spent during the Application Period on

(a) initial takeover and meetings with Defendant Charles Copeland and the employees of the Receivership Entities to understand their operations and assets, (b) review of entity financial statements and accountings, (c) analysis of assets and liabilities, including entity receivables and payables, investments, and related party transactions; and (d) securing receivership estate assets, including recovery of funds.

Avg. Hourly Rate		\$219.91		

C. Reporting

This category contains time spent by the Receiver preparing the Receiver's Preliminary Report, which was filed on November 18, 2011, and attending the related Court hearing on December 19, 2011.

Name	Title	Rate	Hours	Fees
T. Hebrank	Receiver	\$225	9.4	\$2,115.00
TOTAL			9.4	\$2,115.00
Avg. Hourly Rate		\$225.00		

5 **D. Operations & Asset Sales**

6 Time billed in this category relates to the Receiver's (a) management and
 7 oversight of the real estate properties, (b) management and oversight of the financial
 8 advisory business, including performing mutual fund trades at the direction of
 9 clients until the Elevage sale closed, (c) performing all accounting functions of the
 10 Receivership Entities, including making deposits, paying expenses, recording entries
 11 in the accounting system, preparing financial reports, and reconciling bank accounts,
 12 and (d) marketing and sale of receivership assets, including the financial advisory
 13 business and the condominium in Palm Springs.

14 As previously discussed, the Receiver had to expend considerable effort in
 15 order to renegotiate and close the Elevage sale under great time pressure. The
 16 Receiver has also requested from this Court authority to engage in leasing activity
 17 for the Real Estate Limited Partnerships. The Receiver has responded to an
 18 "Invitation to Lease Space" from the Commonwealth of Kentucky for substantially
 19 all of the vacant space associated with Copeland Properties Nine, L.P. The Receiver
 20 has also issued a 3 Day Notice to Pay or Quit to a tenant on Copeland Properties 15,
 21 L.P. with four months of unpaid rent, and has also shown this property to a
 22 perspective tenant to lease vacant space.

23 The Receiver has spent substantial time dealing with delinquent property
 24 issues including deferred maintenance issues, unpaid invoices which have resulted
 25 in threats to cut off services and utilities, unpaid insurance and property taxes,
 26 lender compliance issues, preparing common area maintenance ("CAM")
 27 reconciliations, changing over utilities and rental income and mortgage payment

1 processes, dealing with unresolved issues with property managers, and reviewing
2 loan and other files in order to properly manage the properties.

Name	Title	Rate	Hours	Fees
T. Hebrank	Receiver	\$225	116.3	\$27,517.50
J. Waters	Managing Director	\$180	18.1	\$3,258.00
L. Ryan	Accounting	\$90	20.4	\$1,836.00

Avg. Hourly Rate		\$210.67		

E. Legal Matters & Pending Litigation

Time billed in this category includes the Receiver's work on (a) issues relating to actions against the Receivership Entities pending at the time of the Receiver's appointment, (b) meetings with legal counsel; and (c) oppositions and filings related to the operation of the receivership.

Name	Title	Rate	Hours	Fees
T. Hebrank	Receiver	\$225	14.0	\$3,150.00
TOTAL			14.0	\$3,150.00
Avg. Hourly Rate		\$225.00		

F. Costs

The Receiver requests that the Court approve \$2,432.07 in costs. A detailed listing of each expense is summarized in Exhibit C. The Receiver charges \$.15 per page for copies and all other items are billed at actual cost. Any travel reflects coach airfare and reasonable accommodations billed at cost.

///

1 **III. THE REQUESTED FEES ARE REASONABLE AND SHOULD BE**
2 **ALLOWED**

3
4 **A. Efficient Staffing – Customary Rates**

5 The Receiver believes his request is fair and reasonable and that the fees and
6 costs incurred were necessary to the administration of the receivership estate. The
7 Receiver's request for compensation is based on its customary billing rates charged
8 in similar matters, discounted by ten percent (10%). The blended hourly rate for all
9 services provided by the Receiver during the Application Period is \$200. The
10 Receiver's billing rates are comparable or less than those charged in the community
11 on similarly complex matters. Although the Receiver reviews his hourly rates and
12 adjusts them annually on January 1 to reflect greater experience and expertise,
13 additional costs of operation, and comparable rates in the marketplace for
14 competitive receivership firms, no rate adjustment will be requested in this case for
15 2012.

16
17 **B. Costs**

18 The Receiver also requests Court approval of \$2,432.07 in costs. A summary
19 of costs is included as Exhibit C. The Receiver charges \$.15 per page for copies and
20 all other items are billed at actual cost.

2 **IV. CONCLUSION**

3 The Receiver has worked diligently and efficiently in fulfilling his duties and
4 has provided valuable service in that regard.

5 WHEREFORE, the Receiver requests an order:

- 6 1. Approving \$73,651.50 in fees and \$2,432.07 in costs incurred by the
7 Receiver during the Application Period, and authorizing payment on an interim
8 basis of \$76,083.57 from available receivership estate assets; and
- 9 2. Granting such other and further relief as is appropriate.
