~~What is your name? What choice investments! Is this (client)? How are
you interested? If you could make 5 to 10 times on your money
invested in real estate or business, receive 10% interest paid annually, would that
interest be paid quarterly?~~

DRAFT PITCH

- I want to preface this conversation by saying, that this is a very lucrative situation I am going to discuss with you & I am going to tell you exactly why.
- Asset Holding Corporation for Income Producing Commercial & Residential Multi-Unit properties.
- Offering High Yield Bridge notes 10% Annual Dividend
- Basis position is 10 cents on the dollar.

You know (Prospect Name), correct me if I am wrong, but it sounds like someone with your approach to Wealth Management {Knows a good thing when they see it.} {Is looking for an Asset that is} Stable, offers long term growth, something you don't have to worry about at each and every moment throughout the day. ---- You can agree with that right?

Well that's why we are on the phone right now, because we both know that your time is valuable and so is mine. There is no way we would spend this much time together if there was no value at the end of the tunnel.

If you're anything like me then this investment has been on your mind over the past couple of days. You've probably even thought about it while you were sleeping. Possibly even dreamed about it right? (Prospect Name) this is one of those rare times in life where the dream actually becomes the reality. If you are anything like me then you don't want the Dream, just give me the reality. I can handle the reality, You can handle the reality (Prospect Name). What guys like us can't handle is the Pie in the sky.

But in all seriousness (Prospect Name) This is one of the most stable business models. I would invite you to poke holes in it our Business model. I assure you that we have some highly paid individuals who have already covered those areas. We are solid and stand strong.

- That's why we have already Filed our S1 Registration Statement, which is an enormous task in and of itself. We have the infrastructure, everything is in place! (Prospect Name) Frankly that's why I joined this company. This is more than just a business to us! We do business by the Golden Rule!
- * Do you have any unanswered questions at this point in time. Yes / No?

All I'm asking you to do is just take the first few steps down the yellow brick road. All of our growth funds are managed through ~~J.P. Morgan Chase~~, which is one of the few premium Financial Institutions that was not involved in the Sub-Prime mortgage fiasco. They have a rigorous due diligence process and they will serve as the Custodian.

Wells Fargo Bank.

- So you are comfortable with ~~Chase~~ Bank as the Custodian of your investment with us. ? Y/N?

Given the nature of the tight time frames we have discussed earlier and the understanding of the urgency of now.

Would it be more comfortable for you to initiate your enrollment at a starting position of \$25K. or \$50K.?

So here's what we are going to do ...

Important information about your Chase Business Checking Account Statements

Starting November 14, 2011, we are making it easier to track your Chase ATM and debit card transactions. On your deposit statement, look for a new section called "ATM and Debit Card Summary" to see all of your ATM and debit card transactions organized by each authorized cardholder.

Please note that any ATM or Debit card transactions that post to your account before November 14, 2011 will not show under this new section. The "ATM and Debit Card Withdrawals" section will not change and will continue to display all of your ATM and debit card transactions in date order.

We value you as a Chase customer. If you have any questions, please call us at 1-800-CHASE38 (1-800-242-7338).
