Case No. 3:12-cv-02164-GPC-JMA

**RECEIVER'S SECOND REVISED
FOURTEENTH INTERIM REPORT**

Ctrm.: 2D
Judge: Hon. Gonzalo P. Curiel

1 Thomas C. Hebrank ("Receiver"), Court-appointed receiver for First Financial
2 Planning Corporation d/b/a Western Financial Planning Corporation ("Western"), its
3 subsidiaries and the General Partnerships listed on Schedule 1 to the Preliminary
4 Injunction Order entered on March 13, 2013 (collectively, "Receivership Entities"),
5 submits this Second Revised Fourteenth Interim Report on his activities. This report
6 focuses on the Receiver's activities during the fourth quarter of 2015.

7 I. EXECUTIVE SUMMARY

8 The Receiver has continued his work to preserve and protect the assets of the
9 Receivership Entities. During the fourth quarter of 2015, the Receiver maintained
10 operations of the GPs, made recommendations to the Court regarding letters of
11 intent received for GP properties, and addressed other business and legal issues
12 unique to certain GPs. The Receiver also completed all of the information packets
13 for GPs and mailed out capital calls to investors as necessary for GPs in need of
14 cash to support their ongoing operations. In addition, the Receiver took actions to
15 enforce the judgments against the LinMar entities and prepared his Thirteenth
16 Interim Report, which was filed on November 10, 2015. (Dkt. No. 1148.)

17 II. SUMMARY OF RECEIVER'S ACTIVITIES

18 The Receiver's primary focus since his appointment has been on identifying,
19 marshaling, and preserving the Receivership Entities' assets. These activities fall
20 into the following general categories:

21 A. Business Operations

22 The Receiver has continued to operate the Receivership Entities, carry out
23 Western's traditional duties with regard to the GPs, and address legal issues
24 regarding tenants and easements on GP properties, letters of intent from potential
25 purchasers, and related issues.

26 B. Asset Investigation & Recovery

27 The Receiver has investigated various assets reflected on Western's books and
28 records, including the following:

1 **Notes Payable from LinMar Entities.** The Receiver has continued efforts to
 2 enforce the judgments entered by the Court against LinMar Management,
 3 LinMar III, and LinMar IV. The Receiver has taken various steps to enforce the
 4 judgments, including levying on bank accounts (from which \$10,252 was collected
 5 towards the LinMar Management judgment), obtaining the appointment of a post-
 6 judgment receiver over the LinMar III property, and negotiating a judgment payoff
 7 of the LinMar IV judgment with the new owner of LinMar IV.¹ LinMar IV has
 8 since paid the agreed upon \$205,000 to the Receiver pursuant to the Court-approved
 9 settlement agreement.

10 **Property Tax Appeals.** As directed by the Court, the Receiver obtained an
 11 appraisal of each GP property for purposes of inclusion in his Real Estate Valuation
 12 Report. (Dkt. No. 203.) Based on the appraised values of GP properties and the
 13 assessed values of such properties in property tax statements, the Receiver appealed
 14 the property tax assessments for certain GPs. To date, those appeals have generated
 15 a savings to the GPs of approximately \$88,000, net of fees owed to the property tax
 16 consultants, who worked entirely on contingency. It is important to note that the
 17 Receiver has used the appraisals obtained in 2013 and 2015 in these various appeals
 18 and that the respective County Assessors have accepted these values as a true
 19 reflection of the current market values of these properties. The majority of the
 20 savings have come from the San Diego County properties, which had not been
 21 reassessed since they were sold to the GPs.

22 **Real Property Owned by Western.** As discussed in the Receiver's Forensic
 23 Accounting Report, Part One, Western retained certain parcels of land purchased
 24 from third parties when it sold such land to the GPs. (Dkt. No. 182, p. 9.) In his
 25 Seventh Interim Report, the Receiver recommended the Western land parcels be
 26 listed for sale with a licensed broker. The Court approved the recommendation.

28 ¹ In March 2015, Mr. Schooler assigned his ownership of LinMar IV to a former
 business partner and personal creditor, Jeffrey Wohler.

1 (Dkt. No. 549.) The properties have since been listed with a licensed broker.
2 Recently, an offer for one of the properties was received. The Receiver negotiated
3 with the prospective purchaser, agreed on terms, subject to Court approval, executed
4 a purchase and sale agreement, and filed a noticed motion seeking approval of the
5 sale. (Dkt. No. 1302.)

6 **The Stead Property.** As discussed in prior reports, there were two tenants
7 living rent-free in a duplex on the Stead property. Upon learning of the tenants, the
8 Receiver contacted them and advised they would need to pay rent. One tenant left
9 shortly thereafter. The remaining tenant has been paying rent, however, the rent has
10 not been received timely and consistently. After a while, the remaining tenant
11 contacted the Receiver, claimed the Receiver did not have authority to charge rent,
12 and demanded that upgrades be made to the property. The Receiver explained that
13 he had authority to manage the property under the Court's orders and upgrades
14 would not be made to the property at this time. The Receiver advised the tenant that
15 he should terminate his lease (which is month-to-month) if he is not prepared to pay
16 rent or is not satisfied with the condition of the property. The Receiver has also
17 recently received various calls from nearby residents that the tenant may have
18 additional persons living at the property. The Receiver negotiated an exit date with
19 the tenant in exchange for a final rent payment. The settlement contains a consent to
20 an eviction should the tenant fail to leave on time and includes a waiver of all claims
21 against the Receiver and the receivership estate. After extending the exit deadline
22 twice, the tenant asked the Receiver to reinstate the lease in exchange for periodic
23 partial payments of the past due amount and continuing rent payments. The lease
24 was reinstated, but the tenant again failed to live up to the terms of the lease. The
25 Receiver, through local counsel in Nevada, has sought and been granted an order
26 evicting the tenant. The Receiver is taking steps to secure and monitor the residence
27 and other improvements to the property.

28

III. INFORMATION PACKETS AND CAPITAL CALLS

Pursuant to the Court's orders, the Receiver has posted all information packets to the receivership website and sent out the related notices to investors. Capital calls were also sent out as information packets were completed for GPs needing to raise capital to cover their operating expenses. The very low rate of response from investors to operational bills and capital calls has recently been reported to the Court. (Dkt. No. 1264, Exh. A.) As a result, certain GPs have run out of cash. However, pursuant to the Court's May 25, 2016 Order, all assets of the Receivership Entities (Western and the GPs) have been pooled and property expenses have been, and will continue to be paid from the pooled funds.

IV. POTENTIAL SALES OF GP PROPERTIES

The following potential sales are pending for GP properties:

- On June 17, 2015, the Court adopted the Receiver's recommendation regarding a letter of intent pertaining to the Jamul Valley property. The Receiver then made a counter offer to the prospective buyer and the parties signed a Purchase and Sale Agreement. The title company then stated that it would require an order confirming the sale, stating the buyer's name and the purchase price. Accordingly, the Receiver filed an *ex parte* application for order confirming the sale. (Dkt. No. 1191.) The Aguirre Investors and Dillon Investors objected. The Receiver then filed a supplement to his request for confirmation of the sale. (Dkt. No. 1225.) On May 25, 2016, the Court directed the Receiver to submit a noticed motion for confirmation of the sale incorporating the public sale procedures laid out in his supplement. (Dkt. No. 1305.) The Receiver filed the noticed motion on June 8, 2016, which is set to be heard on July 15, 2016. (Dkt. No. 1310.)
- Pursuant to the Court's order approving the engagement of a broker for the Washoe 1 property (Dkt. No. 1168), the Receiver listed the property

1 with the approved broker. The Washoe 1 property is made up of three
2 separate properties. Several offers were received for two of the three
3 properties (Reno Vista and Reno View). The Receiver advised
4 investors of the offers, negotiated with the prospective purchasers,
5 identified the highest and best offer, executed a purchase and sale
6 agreement, subject to Court approval, and filed a motion for approval
7 of the sale. (Dkt. No 1285.) The motion, which includes the responses
8 from investors to the prospective purchaser's offer, is set to be heard on
9 July 15, 2016.

10 **V. RECEIPTS AND DISBURSEMENTS**

11 Attached hereto as Exhibit A is a summary of the receipts and disbursements
12 for the Receivership Entities for the fourth quarter of 2015. Attached as Exhibit B is
13 a statement of revenue and expenditures for Western for the same period. This
14 statement was prepared on a cash basis. Attached as Exhibit C are Standardized
15 Fund Accounting Reports for the periods (a) the inception of the receivership
16 through September 30, 2015, and (b) the fourth quarter 2015, consistent with the
17 Securities and Exchange Commission's billing instructions. The source of income
18 in the Line 8 "Miscellaneous – Other" category has been identified as investor
19 payments pursuant to operational billings and GP payments pursuant to GP notes.

20 **VI. INVESTOR COMMUNICATIONS**

21 The Receiver has continued to update his website, www.ethreeadvisors.com,
22 with orders entered by the Court, Receiver reports, and briefs filed by the parties
23 that pertain directly to the receivership. The Receiver and his staff have responded
24 to numerous inquiries from investors and other interested parties about the
25 receivership and have updated the Case Updates section of the Receiver's website to
26 address common questions and themes in correspondence from investors. The
27 Receiver has also provided answers to Frequently Asked Questions to address
28 common investor questions and misconceptions about the receivership. As in the
