Case No.: 3:12-cv-2164-GPC-JMA

**ORDER APPROVING:**

**SALE OF ABL/MEX-TEC  
PROPERTY AND AUTHORITY TO  
PAY BROKER’S COMMISSION**

**[ECF No. 1719]**

Before the Court is the Receiver’s Motion for (A) Approval of Sale of ABL/Mex-Tec Property, and (B) Authority to Pay Broker's Commission (“Motion”). ECF No. 1719. No opposition was filed. Based upon a review of the moving papers and the applicable law, the Court **GRANTS** the Receiver’s motion.

**BACKGROUND**

**A. The SEC Enforcement Action**

On January 21, 2016, the Court granted the SEC’s motion for final judgment against Defendant Louis V. Schooler. ECF No. 1170. The Court granted the SEC’s

1 motion for revised final judgment on June 4, 2019. ECF No. 1724. The SEC had  
2 initiated this civil action against Defendant Schooler and Western Financial Planning  
3 Corporation (“Western”) four years earlier, on account of their practice of defrauding  
4 investors into purchasing unregistered securities. *Id.* (citing Second Summary Judgment  
5 Order, ECF No. 1081). To carry out the scheme, Defendant Western bought  
6 undeveloped real estate, with cash or through financing, and simultaneously formed one  
7 or more General Partnerships (“GPs”) to own the land. First Summary Judgment Order,  
8 ECF No. 1074 at 10. Western then sold General Partnership units to investors and sold  
9 the undeveloped real estate to the General Partnerships. *Id.* at 10. In total, Western  
10 raised approximately \$153 million from almost 3,400 investors through implementing  
11 this scheme. *Id.*

### 12 **B. The Decline of the General Partnership Assets**

13 In 2013, the Court-appointed Receiver, Thomas Hebrank, engaged licensed  
14 appraisers to value the 23 properties owned by the General Partnerships. ECF No. 203 at  
15 2. Those professionals determined that the land was worth \$16,328,000 and that the net  
16 appraised value (appraised value less outstanding balances on all mortgages) of the  
17 properties was \$12,860,661. *Id.* The net appraised value represented just 8.41% of the  
18 total funds that the general partners had invested in the land. *Id.* The Receiver further  
19 estimated that, based on the then-current appraised values of the land, the average GP  
20 investor would suffer an 88.40% loss if the GP properties were sold in 2013. *Id.*

21 Three years later, soon after final judgment was entered, the Receiver moved for  
22 authority to conduct an Orderly Sale of the General Partnership Properties (“Orderly  
23 Sale”). Motion for Orderly Sale, ECF No. 1181-1. In the Motion, the Receiver indicated  
24 that the aggregate value in the GP accounts had been steadily decreasing while litigation  
25 was ongoing. *See id.* In September 2012, the Receivership had assets of \$6.6 million.  
26 *Id.* at 1. By the end of 2015, the assets had dropped to \$3.5 million, and the Receiver had  
27 reason to believe that the value of the Receivership would continue to drastically  
28

1 decrease through the end of 2016.<sup>1</sup> This decline, he noted, was due to three main factors:  
2 (1) 14 of the 23 properties were not appreciating in value<sup>2</sup>; (2) the properties were not  
3 worth enough to cover the costs of the GPs carrying the properties; and (3) low levels of  
4 investor contributions to pay GP administrator fees, tax preparation fees, property taxes,  
5 property insurance premiums, and notes owed to Western. *See id.* at 1-2. In other words,  
6 the Receiver concluded, because the money being spent to hold the GP properties was  
7 disproportionately high in relation to the value of the GP's real estate assets, the  
8 Receivership was in a steady decline. *Id.*

9 In order to prevent the value of the Receivership from falling into further decline,  
10 the Receiver proposed that the GP properties be sold in accordance with Court-approved  
11 orderly sale procedures. *Id.* The Receiver's proposal explained that the best way to  
12 maximize the value of all of the GP assets for the benefit of all investors, irrespective of  
13 any given investors' direct property interest, was to initiate an orderly sale of the GP  
14 properties. *Id.* The Receiver estimated that the Receivership, after conducting sales of  
15 the GP properties, Western's properties and asset recovery, would be worth \$21,804,826.  
16 *Id.* at 16.

### 17 **C. The Receiver's Motion for Orderly Sale**

18 On May 20, 2016, the Court held a hearing on the Receiver's Motion for Orderly  
19 Sale, at which time the Court heard from the SEC, Defendant, the Receiver, and the  
20 investor-intervenors — that is, those investors who were granted permission under Rule  
21 23 to intervene to oppose the Receiver's Motion. *See* ECF No. 1298. A short time  
22  
23  
24

---

25 <sup>1</sup> The Receiver provided the Court with projections that the Receivership would further decline to \$1.8  
26 million by the end of 2016. Indeed, the Receiver's projection has since proved to be accurate. The  
27 Twentieth Interim Status Report submitted by the Receiver indicates that the Receivership's current cash  
28 and cash equivalent balance is \$666,113. ECF No. 1505 at 17.

<sup>2</sup> By way of example, the Receiver notes that the value of these 14 properties in 2016, \$3,732,815, was  
about \$400,000 less than their value in 2013, \$4,137,000. *Id.* at 2.

1 thereafter, on May 25, 2016, the Court approved, in part, the Receiver's Orderly Sale  
2 process.<sup>3</sup> ECF No. 1304.

3 In approving the Orderly Sale, the Court addressed and evaluated the concerns  
4 expressed by the Receiver, the SEC, and myriad investors, all of whom held differing  
5 positions on whether the Orderly Sale would benefit the Receivership estate. *See*  
6 *generally* ECF Nos. 1181 (Motion for Orderly Sale), 1232 (SEC Response), 1234 (Dillon  
7 Investors' Response), 1235 (Graham Investors' Response); *see also, e.g.*, ECF Nos. 1240,  
8 1242, 1244, 1249-1257 (Letters from Investors). The Court also took into consideration  
9 the recommendations of the investors' experts, as set forth in the Xpera Report. *See* ECF  
10 No. 1304 at 16. The Xpera Report, the Court noted, substantially agreed with the  
11 Receiver on how to maximize the value of the Receivership estate and, for the most part,  
12 agreed on the appraised value of the various GP properties. *Id.* As such, the Court  
13 directed the Receiver, where feasible, to incorporate the recommendations of the Xpera  
14 Report into his ultimate Orderly Sale proposal. *Id.* at 19.

15 On July 22, 2016, the Receiver moved for permission to engage CBRE, a real  
16 estate brokerage firm, as a consultant in order to weigh the pros and the cons of the Xpera  
17 Report. ECF No. 1341-1. The Court granted the Receiver's motion on August 30, 2016.  
18 ECF No. 1359. CBRE presented its findings on the GP properties on October 24, 2016.  
19 ECF No. 1419 (filed under seal). On November 22, 2016, the Receiver submitted a  
20 report evaluating the Xpera Report recommendations. ECF No. 1405. The Court  
21 reviewed the Receiver's report and adopted the recommendations contained therein on  
22 December 12, 2016. ECF No. 1423.

#### 23 **D. ABL/Mex-Tec Property**

24  
25

---

26  
27 <sup>3</sup> The Court directed the Receiver to file a Modified Orderly Sale Process that incorporated the public  
28 sale process consistent with the requirement of 28 U.S.C. § 2001. ECF No. 1304. The Receiver filed a  
modified proposal on June 8, 2016 (ECF No. 1309) and the Court approved the modified proposal on  
August 30, 2016 (ECF No. 1359).

1 ABL/Mex-Tec Property (the “Property”) includes undeveloped land located in San  
2 Diego County, California. ECF. No. 1719-1 at 2. The Property is one of the properties  
3 that collectively are known as the “Tecate” properties, all of which are located in the San  
4 Diego area. *Id.* Prior to being transferred to the Qualified Settlement Fund Trust, the  
5 Property was held outright by two General Partnerships—ABL Partners and Mex-Tec  
6 Partners. *Id.*

7 On March 7, 2016, the Receiver recommended that the Tecate properties be listed  
8 for sale with Real Blue Properties<sup>4</sup> (“Broker”), a licensed broker located in the San Diego  
9 area, with the Vista Property listed for \$100,000. *Id.* On May 25, 2016, the Court  
10 approved the Receiver's recommendation. *Id.* Broker promptly listed and advertised the  
11 Tecate properties for sale and marketed them to interested parties via the Multiple Listing  
12 Service (MLS) by placing “For Sale” signs on the properties, attending Broker Caravan  
13 marketing sessions, and publicizing the Tecate property listings. *Id.* Broker has  
14 responded to over 70 phone calls and emails about the properties from interested parties  
15 and toured the properties with interested parties on over 47 separate occasions. *Id.* at 2–  
16 3.

17 In 2013, the Receiver obtained an appraisal of the Property estimating the value to  
18 be \$220,000. *Id.* at 3. Two years later, in 2015, the Receiver obtained a broker opinion  
19 of value for the Property estimating the value to be \$180,000. *Id.* In early 2016, Xpera  
20 Group valued the Property between \$173,000 and \$346,000—but this valuation was  
21 based on the Property being held for an indefinite period until San Diego County finalizes  
22 the development in the area. *Id.* The Court expressly rejected the indefinite timing  
23 proposed by Xpera. ECF No. 1304 at 18.

24 The County has been working on this development plan for over 30 years and there  
25 is no current timeframe for when the development plan will be finalized. ECF No. 1722-  
26

---

27  
28 <sup>4</sup> Real Blue Properties subsequently changed its name to Resonate Real Estate.

1 1 at 3. Additionally, Xpera noted the very limited sales transactions in the area,  
2 explaining that in 2014 and 2015, only two properties sold each year and that “the sale of  
3 properties in Tecate has virtually ground to a halt.” *Id.* Additionally, in their schedule  
4 detailing transactions that took place between 2012 and 2015, almost all transactions in  
5 the area were for between \$25,000 and \$42,000. The only exception was a property that  
6 sold for \$250,000, which they noted was different from the Tecate properties in that it  
7 was a “prime property directly on the border.” *Id.*

8       Unfortunately, no offers for the Property were received for many months after it  
9 was listed. The Receiver, in consultation with Broker, determined that gradually  
10 reducing the list price was the best course of action to generate more interest in the  
11 Property. Accordingly, the list price was gradually reduced until it reached \$199,000, at  
12 which point an offer for \$189,000 was received from Mariano V. Serratos (“Buyer”).  
13 The Receiver gave notice of the offer to investors and entered into negotiations with  
14 Buyer. The Receiver and Buyer then executed a Vacant Land Purchase Agreement and  
15 Joint Escrow Instructions (“Agreement”), subject to overbid and Court approval, with a  
16 purchase price of \$189,000. On May 1, 2019, Buyer removed all contingencies (other  
17 than Court approval). On July 24, 2019, the Receiver notified the Court that no qualified  
18 overbids had been received for the Property. ECF No. 1738.

### 19       **E. Conclusion**

20       The Court finds that the purchase price of \$189,000 is reasonable in light of the  
21 facts that the sale of Tecate properties has virtually ground to a halt and the Court  
22 previously declined to direct the Receiver to hold the Tecate properties for an indefinite  
23 period of time. There are very limited sales transactions in the area, and of these limited  
24 transactions, almost all were for between \$25,000 and \$42,000. The Property has been  
25 thoroughly marketed over the last 36 months and \$189,000 is the best and only offer  
26 received. Moreover, the purchase price of \$189,000 exceeds the 2015 broker opinion  
27 value of \$180,000.

28

1 The Court is also satisfied that the Receiver’s notice of the sale adhered to the  
2 modified Orderly Sale procedures—which require that notice of the sale be published “in  
3 the county, state, or judicial district of the United States *wherein the realty is situated*,”  
4 28 U.S.C. § 2002 (emphasis added)—by publishing notice in the San Diego Union-  
5 Tribune, a newspaper of general circulation in San Diego County, and by providing  
6 notice to the investors.

7 Accordingly, and given that no opposition to the present Motion has been filed or  
8 raised, and no qualified overbid was received, the Court **GRANTS** Receiver’s motion for  
9 approval of sale.

10 **ORDER**

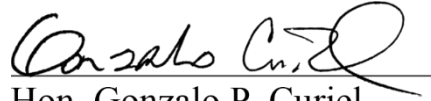

11 The Motion for (A) Approval of Sale of ABL/Mex-Tec Property, and (B)  
12 Authority to Pay Broker's Commission (“Motion”) filed by Thomas C. Hebrank  
13 (“Receiver”)—the Court-appointed receiver for First Financial Planning Corporation  
14 d/b/a Western Financial Planning Corporation (“Western”), its subsidiaries, and the  
15 General Partnerships listed in Schedule 1 to the Preliminary Injunction Order entered on  
16 March 13, 2013—having been reviewed and considered by this Court, the Receiver  
17 having notified the Court that no qualified overbid has been received, and for good cause  
18 appearing therefore, the Court finds as follows:

- 19 1. The Motion is **GRANTED**;
- 20 2. The sale of the Property known as the ABL/Mex-Tec Property (“Property”),  
21 as described on Exhibit A to the Declaration of Thomas C. Hebrank in support of the  
22 Motion, by Thomas C. Hebrank, as receiver, to Mariano V. Serratos (“Buyer”) is  
23 confirmed and approved;
- 24 3. The purchase price of \$189,000 for the Property is confirmed and approved;
- 25 4. The Receiver is immediately authorized to complete the sale transaction,  
26 including executing any and all documents as may be necessary and appropriate to do so;  
27 and  
28

1           5.     The Receiver is authorized to pay, upon closing of the sale, a commission of  
2 9% of the final purchase price to broker Resonate Real Estate.

3                   **IT IS SO ORDERED.**
